Return to Andrew	9:45 pm

The Wheeling Competition is a one show performance format. The awards ceremony will follow the last band and will have awards for class A, AA, and AAA.

When students arrive at Andrew, they may use the telephone in Mr. Iwinski's office to call home. Parents do not need to sit in the parking lot at Andrew to wait for the busses to arrive.

Bus Boarding

Students have already signed up for busses. We have had problems with students trying to save seats or moving other students' belonging. In order to alleviate this situation students are not allowed to save seats or leave belonging on the bus unattended. Students will ride the same bus for the entire season and chaperones will be given a bus attendance list. We will also have bus captains in order to make sure the bus is clean during and after an outing. Students are not to leave their belonging on the bus unattended, nor are students to move belongings of other students. If it does not belong to you, don't touch it. Students will not be allowed to change busses on route back. Stay on the same bus you signed up for!

Student Expectations

Students are expected to act in an orderly and respectful fashion at all times to staff, chaperones, and bus and van drivers (we are representing our school). At no time will a student be allowed to wander on their own or leave the group. Since marching band is a school sponsored activity all the rules in the student handbook apply and discipline matters will be handled upon return through the dean's office.
